

Rules for Patios and Balconies

1. Patios and balconies shall not be used for storage of materials.
2. A limited number of small planters, properly working gas grills, and appropriate lawn-type furniture may be stored on the patios and balconies.
3. A small amount of **firewood will be allowed if contained in an appropriate manner, not resting against the building**; this is to limit bug infestations and decrease the fire hazard. The wood must be covered by a tarp.
4. All walkways and entrances into any unit must remain clear of obstructions on any kind.
5. No garbage or garbage containers will be stored on decks or patios.
6. No clothing, rugs, swimming apparel, or other articles shall be hung on or in the common and limited common areas.
